

Assignment 1: Help Guideline to Prepare Your Rmarkdown Document

This to be included

1. Title

Provide a meaningful title for your photo. The title should reflect the message that you try to pass to the society.

Example: Title: Together We Learn Better

Proximity

- Show **clusters of students** reading or studying **close together**. This implies activity and use.
 - Avoid isolating individuals too much — proximity suggests a shared purpose.
-

2. Photograph

Submit **one original photograph** that visually communicates your intended message using Gestalt principles.

3. Application of Gestalt Principles

Explain **how you applied one or more Gestalt laws** in your photograph. Your explanation should clearly describe:

- Which principle(s) you used (e.g., proximity, similarity, figure-ground, etc.)
 - How these principles help convey the intended message in your image
-

4. Annotated Version

In addition to the original photo, submit **a copy of the same photo with annotations**. Use arrows, labels, or text boxes to highlight where and how the Gestalt principle(s) are applied.

 In total, you should submit **two images**:

1. **Original photo (without annotations)**
2. **Annotated version of the same photo**
